No	No	

Special Review Type	Approval Status	Reference
---------------------	-----------------	-----------

**Section VII: Deliverables**

As you prepare the required reporting/deliverable to the Sponsor for this project keep in mind that it may contain patentable information. The TDG Technology Transfer Officers are ready to meet or speak with you to discuss your pending work and you are encouraged to report potential inventions at any and all stages of your research. Invention disclosures can be submitted to <http://tdg.ucla.edu/submit-invention-report> and upon receipt TDG will be in touch with you to discuss your work. **Note that filing a technical report without consulting TDG may jeopardize UCLA's ability to secure a patent to protect your work.**

**Non-Financial Deliverables:**

Deliverable Category	Frequency	Type	Due Date	Status
Tech/Scientific	Annual	Progress Report	05/01/2026	Unknown Submission Status
Invention/Patent	One Time	Final	10/28/2027	Not Started
Tech/Scientific	One Time	Final	10/28/2027	Not Started

**Financial Deliverables:**

Deliverable Category	Frequency	Type	Due Date	Status

Award Snapshot Attachment

---

**UCLA PATS NUMBER:** 20250082

**Alert(s)**

1. Please review and adhere to the award terms and conditions.
2. The PI is responsible for advising all project investigators and staffs of the terms and conditions of the Agreement.
3. Project specific flow down terms and conditions can be found in Section IV of the NIH NOA.
4. CFR § 200.216: prohibits federal award recipients from using loan or grant funds to enter into contracts (or to extend or renew contracts) with entities that use covered telecommunications equipment or services. Please refer to the notice of award for details regarding "Covered Telecommunications" and "Covered Foreign Country".

**Compliance Requirement(s)**

- Prime sponsor is Federal Public Health service (PHS): UCLA Investigators who are engaged in PHS Research Activities have an ongoing responsibility to update their disclosures **annually** throughout the period of PHS support (UCLA Policy 926). Please submit an *eDGE Annual Financial Disclosure Tracking Form* to OCGA before an incremental funding can be released. A tracking form is available at: <http://ora.research.ucla.edu/OCGA/Pages/OCGA-Forms/OCGA-forms-home.aspx>.

**Reference Document(s)**

1. Award(s) available via the ORA Award Status & Snapshot Report [<http://portal.research.ucla.edu/index.aspx?Section=PostAward>]
2. Award conditions for NIH Grants [<http://grants.nih.gov/grants/policy/awardconditions.htm>]

**Action(s)**

1. *This Snapshot*: Sponsor award dated 07/01/2025 provides funding in the amount of \$35,000 for a budget period of 07/01/2025 -06/30/2026.
