Please be advised that the S2S Grants (Cayuse) system will be upgraded to Version 3.7 on **Saturday, June 20<sup>th</sup>**. The system will be unavailable from approximately 1:00 a.m. to 3:00 a.m. to install the upgrade. We will send a reminder on June 18.

Release Notes are available on the [S2S Grants Info/Resources site](#) to familiarize users with some of the important system changes and/or enhancements in the new version. The training environment has already been upgraded so that users may test new features prior to the actual upgrade.

The production and training environments require separate access. If you do not have training environment access and would like to use the training environment, please send e-mail to [s2sgrantsadmin@research.ucla.edu](mailto:s2sgrantsadmin@research.ucla.edu) to request user access. Please enter "Training Environment Access" in the subject line of the e-mail and include your full name, department, and 9-digit UID in the body of the e-mail.

Your feedback is important to us. Please do not hesitate to contact us at [s2sgrantshelp@research.ucla.edu](mailto:s2sgrantshelp@research.ucla.edu) if you have questions, concerns, or feedback regarding the system.

Thank you.
