

FINANCIAL AUDIT MANAGEMENT QUESTIONNAIRE

OMB Circular A-133/Uniform Guidance requires monitoring of sub-recipients receiving Federal financial assistance to carry out a program under prime awards to the University of California. The purpose of the questionnaire is to help us determine the status of your organization’s compliance with the main Federal requirements, which follow Federal assistance funds. The following questions should be answered by the Independent Auditor (CPA) or Chief Financial Officer of your organization.

A subrecipient is a third-party organization that receives funding from the University of California, Los Angeles (UCLA) to collaborate in carrying out an externally funded program. The University is responsible for monitoring the programmatic, financial, and conflict of interest (COI) status of its subrecipients.
